

# Specialist, Climate Economics (Contractual-), Climate Change Programme (CCP)

Location: Head Office

Date posted: March 20, 2023

Last date of application: March 30, 2023

BRAC is an international development organisation founded in Bangladesh that partners with over 100 million people living with inequality and poverty globally to create sustainable opportunities to realise potential.

The BRAC Climate Change Programme (CCP) supports communities to develop their capacity to adapt to climate change and improve their resilience to climate change, as well as supporting communities and organisations to reduce their climate change impact. Eager to make a difference and help communities to tackle climate change? Work with us to protect resources, improving quality of life and raise awareness, while providing people with access to the tools and knowledge to adapt and respond to adverse climatic impacts and adopt sustainable practices. Working at BRAC is not like any other job. It is a platform where you can bring about real change for people who need it the most. We are not just dreaming of a better world, we are building it. Join us to find the way.
